

Dear Parents/Carers,

The term has flown by and the Easter holidays are upon us! We have been very busy with lots of exciting things happening in school and we have lots of things to look forward to in the Summer term.

It has been lovely to welcome so many parents into school for our Parent Teacher Consultations, Class assemblies, Parent information evenings (Y6 SATS, Phonics etc) and helping out in the classroom. It was lovely to see lots of parents and grandparents helping Y1/2 with their sewing of puppets. The results were fantastic!

Attendance

Attendance at school is vitally important to ensure that all children make good progress and that they access the curriculum they are entitled to. In the first instance, it is the responsibility of pupils and their parents to ensure attendance at school as required by law. The Government states that an attendance rate of less than 95% will have a detrimental effect on a child's education.

Lateness is hugely disruptive both to the child and to the effective running of the school and teaching. The school opens at 8:45am and register and teaching begins promptly at 8.55am. Please make sure your children are at school by this time. Thank you for your support with this matter.

Easter Bingo

Just a reminder that it is Easter Bingo this evening in the village hall.. A big thank you for the Easter egg donations for Dress Down day today.

Easter Egg Decorating Competition

We had lots of entries to the competition this morning and Mrs Jones had a very tricky job choosing a winner for each year group and Little Acorns. 1st prizes were awarded in our Celebration assembly this afternoon-well done to everyone who entered.

Cross Country

Our cross country team have continued to represent the school at the Lincoln Schools cross country races and we have 1 more race at least after the Easter holidays. The children have been a credit to the school, running with enthusiasm and determination, even when it's been really cold!
