

Ingham School - Computing Code of Conduct Key Stage 1

I understand that this information will help to keep me safe and happy.

I only use the internet when my teacher is in the classroom.

I only click on links and buttons if I know what they do. If I am not sure, I ask an adult first.

I keep my personal information and passwords safe and do not share them with others.

I only send messages that are friendly and kind.

I know that Ingham School can see what I am doing online when I use the laptop, Chromebook or iPad.

I always tell an adult if something online makes me feel upset, worried or scared.

I will treat all devices with respect. If a device is damaged, I must report it to a teacher as soon as it happens.

I can go online to www.thinkuknow.co.uk to learn more about keeping safe online.

I know that if I do not follow the rules, my parents will be informed and I may not be able to use the computers as a consequence.
