

Dear Parents/Carers,

I hope this newsletter finds you well. We've had a very busy last few weeks in school.

Rowan Class Assembly

Yesterday we had the pleasure of watching Y1/2 in their class assembly based around Paddington. The children spoke beautifully and demonstrated how to make a marmalade sandwich and taught us some of the key facts they have learnt about London in their current topic. They also performed a lovely song about not giving up, teaching us to 'Try everything' and not give up, even when we make mistakes. A big well done to all the children in Rowan class and thank you to the parents for attending.

Keeping safe

Last week all children in school took part in an online workshop called 'Switched on for every journey' teaching the children about keeping safe near railways and rail stations. Although there are no rail lines near us, it is still a very important lesson for the children.

On Wednesday Lincolnshire Fire and Rescue visited Y5/6 and delivered a Fire Safety talk. The children listened really well and enjoyed their session.

Yesterday, Y2, Y3/4 and Y5/6 all took part in an Online safety workshop with the Stay Safe Partnership. Please talk to your children and ask them about their learning.

Dress-down day

A big thank you for the Easter eggs that have been donated today for wearing own clothes to school. I know FOIS really appreciate your support. Easter Bingo is tonight-doors open at 6pm for a prompt 6:30pm start.

Comic Relief

Last week we had a brilliant response to our Bake sale for Comic Relief with so many kind donations-we really appreciate your support. We managed to raise almost £200 for a very worthy cause.

Houses of Parliament Trip

On Monday 17th March, Y5/6 travelled to London on a coach with our friends from Scampton school. We visited the Covid Memorial wall, visited the Houses of Parliament where we entered and observed in the House of Commons and the House of Lords, and had a little sightseeing tour led by Mr Hebborn. The children asked some very pertinent questions throughout. The day was very long as we left early in the morning and were late arriving back, but the children's behaviour was impeccable throughout. It was such a pleasure to be with them for the day and a great experience was had by all. It was an excellent trip that enables children to understand how our country is governed and was a great learning opportunity for our pupils.

Cross-country

A massive well done to our cross-country team who have been representing the school at the Lincoln cross-country races. A big thank you to Mrs Wilson for her support during the running races over the last 3 weeks. We're so proud of all of our runners.

As always, please do pop and see me or catch me at the gate if you have any queries or concerns.
