**Value for Term 5-Fairness**

Dear Parents/Carers,

It has been lovely to have the children back after the Easter holidays-we hope you all enjoyed the break. The children have settled brilliantly into Term 5.

The weather has been glorious over the last two weeks, and it has been great to see so many children with sunhats and suncream. Please note that children apply their own suncream in school. During the hot weather, please ensure all children have sunhats, suncream and a water bottle. Thank you.

**Important Dates**

KS2 SATs Week (Year 6)	Monday 11th May – Thursday 15th May 2026
Phonics Screening Check (Year 1)	Monday 8th June – Friday 12th June 2026
Multiplication Tables Check (Year 4)	Monday 1st June – Friday 12th June 2026

**UK Health Security Agency** | **NHS**

### Should I keep my child off school?

Illness	Until...
Chickengoo	at least 5 days from the onset of the rash and until all blisters have crusted over
Diarhoea and Vomiting	48 hours after their last episode
Cold and flu-like illness (including COVID-19)	they no longer have a high temperature and feel well enough to attend. Follow the national guidance if they've tested positive for COVID-19.
Impetigo	their sores have crusted and healed, or 48 hours after they started antibiotics
Measles	4 days after the rash first appeared
Mumps	5 days after the swelling started
Scabies	they've had their first treatment
Scarlet Fever	24 hours after they started taking antibiotics
Whooping Cough	48 hours after they started taking antibiotics

**No**  
but make sure you let their school or nursery know about...

Hand, foot and mouth	Glandular fever
Head lice	Tonillitis
Throatwonna	Slapped cheek

## How to Navigate Group Chats Safely

### Helping children stay safe, kind & confident online.

Group chats have become a big part of how children stay connected with classmates, friends, extended family and wider social groups. Whilst they can be fun and positive, they can also become overwhelming, unkind or unsafe without your guidance.

### Why group chats can be challenging for children:

Group chats can move quickly and create pressure for children to keep up.

Common issues include:

- Too many notifications.
- Misunderstandings.
- Exclusion and arguments.
- Sharing unkind gossip or images.
- Pressure to respond late at night.
- Added to chats without permission.

**Talking openly with your child about these challenges can help them feel more confident and capable.**

### What you can do at home:

#### Set healthy boundaries

- Agree on device-free times (eg. meals).
- Encourage children to mute group chats.
- Remind them its ok to leave a group.

#### Teach them "THINK before you send"

Before posting, ask them to check if the message is: true, helpful, & kind.

#### Encourage children to speak up about anything:

- Unkind, unsafe or aggressive.
- Not to join in or share it further.
- Save a screenshot if worried.
- Talk to a trusted adult .

**Remind children not to share private information in group chats and model healthy digital behaviours yourself.**

We have a busy few weeks ahead with SATs booster sessions and our Y6 will get to enjoy SATs breakfast in school prior to their tests on test week. We always find that the children really enjoy the social element of this.

Next term we will be inviting our new EYFS intake into school for some taster sessions and our current Y5 children will begin their 'Buddy' duties. Our Y6 children will begin their transition days to Secondary school and we have Sports Week and Arts Week to look forward to as well as our Key Stage 2 Summer Performance. We will share audition dates with the children soon.

As always, please do pop and see me or catch me at the gate if you have any queries or concerns.

Have a lovely long weekend and enjoy the extra day off!
