

**Newsletter 16- 15<sup>th</sup> May 2026**

**Value for Term 5-Fairness**

Dear Parents/Carers,

### Y6 SATs

I'd like to say a massive well done to the children in Year 6 this week who finished their SATs yesterday. They started the days well with SATs breakfast with all their friends-the children loved the pancakes, waffles, strawberries, raspberries, yogurt, juice, toast, jam, chocolate spread (of course) and croissants! Their attitude, positivity and support of each other has been just wonderful. They have been utterly brilliant from start to finish and they have kept such a sensible perspective on it all! They know that they are so much more than the scores on a test - and when there's waffles on offer...who can worry!

Rowan and Maple class have both had class trips today and I will share some pictures and news from their days in the next newsletter.

### Important Dates

Phonics Screening Check (Year 1) Monday 8th June – Friday 12th June 2026

Multiplication Tables Check (Year 4) Monday 1st June – Friday 12th June 2026

Headteacher

# Should I keep my child off school?

## Yes

### Until...

Chickengox

at least 5 days from the onset of the rash and until all blisters have crusted over

Diarhoea and Vomiting

48 hours after their last episode

Cold and flu-like illness  
(including COVID-19)

they no longer have a high temperature and feel well enough to attend. Follow the national guidance if they've tested positive for COVID-19.

Impetigo

their sores have crusted and healed, or 48 hours after they started antibiotics

Measles

4 days after the rash first appeared

Mumps

5 days after the swelling started

Scabies

they've had their first treatment

Scarlet Fever

24 hours after they started taking antibiotics

Whooping Cough

48 hours after they started taking antibiotics

## No

but make sure you let their school or nursery know about...

Hand, foot and mouth

Glandular fever

Head lice

Tonsillitis

Threadworms

Slapped cheek
