

Dear Parents/Carers,

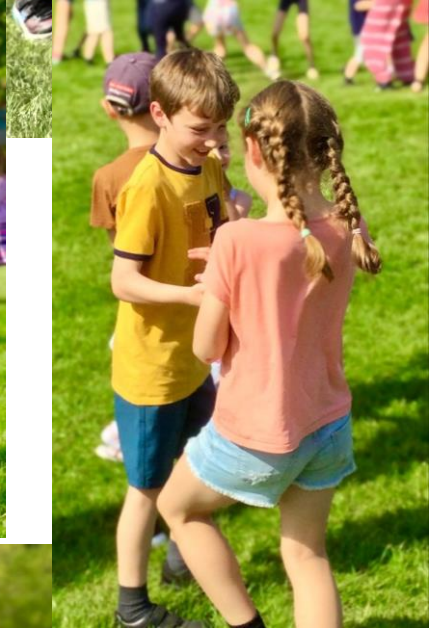

I can't believe we are finishing Term 5 already! It has been a brilliant week in school with auditions for the Key Stage 2 summer production, our traditional May Dances and the After-school theatre club's performance on the Village Green. The children have all been very busy today with our PSHE day too.

May Dances

I hope you all enjoyed our May Dances-the weather was beautiful and the children have been working really hard to learn the dances with their classmates. It was lovely to see such a big turnout for the event and I know myself and the rest of the staff and children really appreciate your support.

Miss Apps was a great compere for the event. I would also like to say how amazing the children were. This is a very traditional event that the school do and it so nice to see so many residents of the village come and support us, both in our rehearsal in the morning or at the actual event. One resident told me that events like May Dances are one of the reasons they enjoy living in a village so much! I have to mention the reaction of Maple class when they realised their dance had produced the desired effect on the maypole-it was lovely to see! Apparently, it's the best they had performed it! (see the picture above)

After-school drama club performance

The after-school club put on a fabulous tribute to Alice in Wonderland on the Village Green on Wednesday. The children showed great talent and obvious enjoyment in the production. A big thanks to Miss Apps and Mrs Baker for their hard work with the club.
