Safeguarding

Children in all classes have taken part in 'Speak out. Stay safe' online assemblies this week. Y5/6 also had a workshop visit from the NSPCC this morning to consolidate their learning.

Our JOSOs (Junior Online Safety Officers) have been working hard in preparation for Safer Internet Day on Tuesday 7th February. The day aims to promote safe, responsible and positive use of technology. All children will be completing lessons on the day. I posted a short video and link on Dojo also yesterday for parents .If you'd like more information about this topic, please check out www.saferinternet.org.uk/SID-parents Lots of top tips, quizzes, activities and films which you can use at home to reinforce the message of staying safe online.

Paul Cookson-Poet visit

On Tuesday the poet Paul Cookson will be visiting our school. He will be selling some of his books after school in Oak class. If your child would like to purchase a book, please do pop in at the end of the school day.

Maple class performed a fantastic class assembly this week with a very clear message to us all. Although I wasn't in school on the day of the assembly, I had a sneak preview on Monday afternoon! The children spoke beautifully and delivered their message well. Well done to all of Maple class.
