

Dear Parents/Carers,

This term our focus is on our value of Hope and we will be thinking about who inspires us and how we inspire other people. We also have a number of events that link directly to our theme of Hope, including our Remembrance Service, Children in Need and of course, Christmas.

Christmas performances

Many Key Stage 2 parents and staff commented on how lovely it was to have a show at the end of the Summer term. Peter Pan was a great production and the children loved it! As a result, this year we have taken the decision to just hold a Key Stage 1 (Willow and Rowan) performance at Christmas and the Key Stage 2 children (Maple and Oak) will have their show at the end of the summer term, like last year. Our KS1 school shows will be taking place this year on the afternoon and evening of Wednesday 14th December (KS1) at 2:30pm and 6pm. Please add this date to your diary and look out for details of how to book tickets in the next few weeks.

We have a few other things lined up for Christmas including an Christmas tree decoration competition and a run for a local charity. We will tell you more about these next time.

Wellbeing Day Two: Safe Relationships-Mrs Lovett

On Friday 4th November we all took part in the second of our whole school wellbeing days. The theme of the day was safe relationships. Throughout the day, we explored the difference between secrets and surprises, personal boundaries and seeking permission. The key aim of this PSHE day is to ensure the safety of our children by teaching them what they should do if something makes them feel uncomfortable. These are tricky, but important topics and it would be fantastic if you could continue the conversations at home. The NSPCC Pants are Private website is a fun way to start a conversation and uses resources which the children are familiar with.

Next week is National Anti-bullying week and Road Safety week. These topics will be covered within our whole school assemblies and in class. Look out for next Friday's homework which will be based on staying safe on our roads.

As always, if you have any questions or need support or advice, please do not hesitate to contact your child's class teacher or Mrs Lovett, as PSHE Lead.

Parent workshop

Just a reminder about the parent workshop that Lincolnshire Behaviour Outreach Support Service are running on Wednesday 23rd November from 2:30-3:15pm. This workshop is aimed at parents who have a child on the Autistic spectrum but is open to any parents who are interested in developing their strategies to manage behaviour at home or would like to know more about Autism/ADHD or simply to ask individual questions or seek advice.

It would be helpful to know how many parents are interested in attending. Please could you let Mrs Peacock or the office know if you plan to attend.

Lincolnshire Parent/Carer Forum website <https://www.lincspcf.org.uk> is also worth a look. They offer a range of virtual workshops led by professionals that you can sign up to including Homework Battles on 15th November.

Remembrance Service

This morning the children have taken part in a Remembrance service at Ingham Church led by John Beverley. The children behaved beautifully and were a credit to the school. We even had Last Post being played-it was very poignant.

Pantomime-Thursday 8th December

Reminder from the school office-please ensure payments are made by Monday 14th November-thank you .

Football

On Sunday Owen (Y6) was selected to be part of the Lincolnshire Schools team for Gainsborough. He played against Barnsley and although the team lost, Owen gained a lot from the experience. Well done Owen-we are very proud of you!

On Monday some of our KS2 girls represented the school at a Tournament and came 3rd. Well done!

Messy Church is back again this Friday 11th November

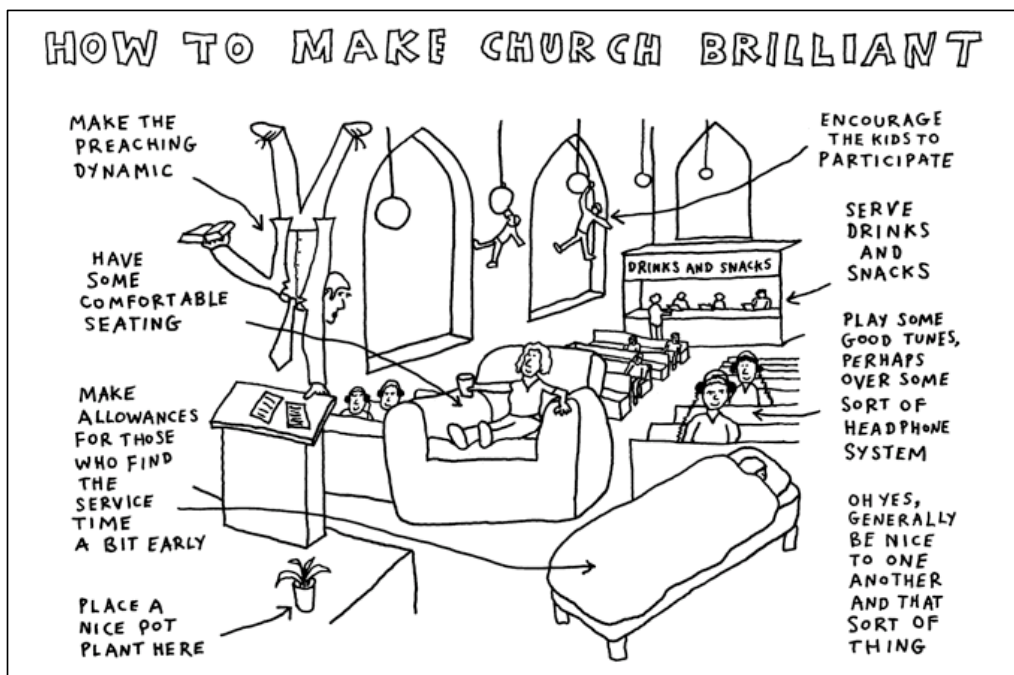

We meet in the Community Room after school and start with a biscuit and a drink to get energy levels up.

When we have reminded the children of the theme we move into the Hall to get Messy.

And finish off with a short celebration before topping up energy levels again with a simple meal.

A couple of rules:

- All children should be accompanied and supervised by an adult.
- We will ask to take some details so we can let you know when the next Messy Church is.
- Good if you can text Audrey Beverley (07792 880 196) if you're coming so we have a rough idea for catering.
