

Dear Parents/Carers,

Communication

We apologise for the issues with our phone lines, Dojo and the internet this week. Our provider EMPSN (East Midlands Public Sector Network) started having problems at 1pm on Tuesday and the problem is still not fixed. This problem has affected many sites across Lincolnshire, Nottinghamshire and Derbyshire, including schools, colleges, universities and local authorities. We will let you know as soon as possible when normal service has resumed. We appreciate your understanding.

Blue Peter Visit

This morning I waved off some very excited Y4 and Y5 children who are on their way today to be the live studio audience at Blue Peter at BBC Media City in Salford. Today is a Strictly Come Dancing special and the children were asked to make their own scoring paddles and wear a bit of glitz and sparkle. The show is broadcast live today at 5pm-please look out for our children on the TV!

Boggle Hole Residential

Last Friday Y5/6 returned from a 3 day residential with Scampton school. We had a fabulous time making lots of memories. We took part in a fossil hunt and the children were excellent at finding them. We also did rockpool hunting, toasted marshmallows and Starbursts around the camp fire (they were delicious!) and then had a great pirate party on the last evening. The children were fantastic and a real credit to the school.

Bikeability-Y5 only

This commences on Monday until Thursday. Don't forget to bring your bike, bike helmet and wear suitable clothing for being outside-no jeans please. Bikes may be left in school overnight. Mrs Roberts will be sending out a bike checklist on Dojo this weekend.

Macmillan Coffee Morning-30th September 9am-11am

Bumps 'n' Babies, Little Acorns and Ingham Primary school will be holding a coffee morning on Friday 30th September from 9am until 11am in the Village Hall. Please do pop along for a chat, a cup of tea and a slice of cake!

Any cake donations will be gratefully received on Thursday 29th September at 3:30pm or on the Friday morning. All proceeds will go to Macmillan.

We operate a cashless system and so all payments for trips, visitors or other events will be made through ParentPay. ParentPay will continue to be used periodically because of the payment options within it. Those of you who are already on this system will not need to do anything, all children have been progressed up to their new year group. New parents have been contacted separately with instructions on how to register with a user name and password. Please ensure you enrol on this system as soon as possible. **Please contact the office if you have any problems accessing the system and we'll try to help.**

As always, please catch me at the gate if you have any questions or queries. Have a lovely weekend.
